PROMPTCRAFT

Participation Requirements

- The event is strictly **individual participation only**.
- Participants must report to the venue **on time**; late entry may not be allowed.

Device Rules

- Participants are encouraged to bring their **own devices** (laptop/tablet/mobile).
- If possible, participants should **bring their own device**; systems will also be provided at the venue if required.
- Ensure devices are **fully charged** before the event and carry necessary accessories.

Round 1

- An image will be shown to all participants.
- Participants must create **single prompt using any AI tool without editing**.
- Submit the **prompt along with the image** via the given Google Form.
- Submissions will be evaluated by judges.

Evaluation: Creativity, clarity, and relevance.
Selected participants advance to Round 2.

Round 2

- Participants will select a theme by **drawing a chit**.
- Create a **prompt based on the selected theme** for the given GPT model.
- Generate output using the prompt.
- Submit **both the prompt and generated output** via the Google Form.

Evaluation:

- Depth of thought
- Originality
- Technical accuracy

Submission Guidelines:

- Only **one final submission** is allowed per round.
- Once submitted, **no edits or modifications** are permitted.

Winning Announcement:

- After Round 2 evaluations, judges compile scores from both rounds.

- Based on cumulative performance across Round 1 (Image-to-Prompt Challenge) and Round 2 (GPT-based Prompt Challenge).
- Judges consider creativity, clarity, originality, technical accuracy.
- After evaluation Winners are announced.
